

The Golden State Chapter, CMAA, Inc. Foundation

CCM Certification Support Award Program Award/Purpose:

To support TGSC Professional members or those in Continuation status in The Golden State Chapter who lack sufficient financial resources to fully fund designated professional development and/or career advancement opportunities leading to CCM Certification. This award is specifically designed to provide tuition reimbursement and up to \$1,500 for related expenses for travel and lodging. Applications must be submitted and approved in advance of participating in the intended program to receive any TGSC Foundation funds. Reimbursement will be made AFTER proof of successful completion has been received by TGSC Foundation. Please note that not all applications will be funded, may be partially funded, and that you may only apply for any specific program one time.

Process Steps:

1. Make application for the reimbursement award through the "CCM Certification Support Award Application" which is below. Up to 10 applications will be awarded in 2024 and if all awards are not given in the first round, there will be a second round. Deadline for submission of applications is Friday, March 29, 2024. Applications may be completed at any time prior to participating in intended program.
2. You will be notified of TGSC Foundation's decision at a later date.
3. Within 30 days of the activity, Post Education Activity follow-up information to include proof of successful completion and receipts (along with the approved expense claim form) to substantiate the request for payment. If expenses are not submitted within the 30 days of the completion of the activity, it is assumed that the funding was not required and will no longer be available.
4. Within 30 days of receipt and approval by TGSC Foundation, a check will be sent to the person/club listed on the application for reimbursement.

Who May Apply?
